

**Welcome to FABB Scotland's Network of All-Ability Cycling Services**  
**Information Sheet**

FABB Scotland's expertise in all-abilities cycling has been recognised by Scottish Government, Scottish Disability Sport and all national cycling organisations. Blazing Saddles, their unique mobile all-abilities cycling service, has been the catalyst to providing more sustainable cycling across Scotland.

As a consequence of these services people with disabilities and additional support needs achieve independence, develop socially and emotionally and as a result this can change lives in varied and positive ways.

**Contact Details**

For more information about how you can develop an all-abilities cycling hub and the packages available through FABB/Blazing Saddles' mobile cycling service, please contact: Jan Brereton, Tel: 0131 475 2313 or email: [Jan@fabb.org.uk](mailto:Jan@fabb.org.uk).

For more details about how to book the adaptive bikes and kit available in the areas outlined in this table, please contact the person named below.
