## Fife

### Bikeability Scotland Coordinator

#### Shealagh Crabb

**Job title:** Bikeability Scotland Coordinator  
**Contact:** [bikeability@fife.gov.uk](mailto:bikeability@fife.gov.uk)  
03451 55 55 55 ext 402176

Shealagh joined the Fife Council Roads and Transportation team in 2018. She gets an immense amount of satisfaction from seeing the sense of achievement on the faces of pupils and being part of a team where you develop a community of like-minded friends.

She enjoys a variety of sports and was fortunate to compete at the highest level – experience that she puts to great use when motivating and training the pupils.

#### Earliest memory of cycling?

The excitement of getting my first 'grown up' bike and using the doorstep to stop!

#### What would you say to a school thinking about participating in Bikeability Scotland?

It supports and complements the curriculum with outside and inside classroom work.

#### Best Bikeability Scotland moment?

Fife PSA receiving a Pupil's Choice of the Year award, showing the value of the programme and its worth to the pupils and allowing them to nominate their CTA instructor with Cycling Scotland as a way to say thank you. And Fife getting its first school to complete Level 3 training.

#### Most likely to be heard saying....

"Let's get pedals at the ready!"
