#### Earliest memory of cycling?

Falling off my new Christmas bike when I was around 8 years old.

#### What would you say to a school thinking about participating in Bikeability Scotland?

Just do it, it's a life skill and great fun. I can help you work out a way of delivering Bikeability Scotland that works for your school, there are a number of resources available to you.

#### Best Bikeability Scotland moment?

Working with a school to find a way to deliver training.

#### Most likely to be heard saying....

(to colleagues) "Think you need to start travelling by bike!"
