

Coordinator Bio

Dumfries and Galloway Bikeability Scotland Coordinator

Peri Wallach

Job title: Bikeability Scotland Coordinator

Contact: peri.wallach@dumgal.gov.uk

Peri has been appointed as the Bikeability Scotland Coordinator for Dumfries and Galloway on a part-time basis. With a background in tackling childhood obesity, Peri has a passion for encouraging children to increase physical activity levels through active travel and is a Cycle Ride Leader.

Earliest memory of cycling?

Being able to balance and cycle on my first little purple bike.

What would you say to a school thinking about participating in Bikeability Scotland?

Why would you not!? Get signed up and get cycling! The children will learn an essential life skill. Children who cycle to school are more likely to learn and behave better in the classroom.

Best Bikeability Scotland moment?

Feeling very welcomed and part of the team already.

Most likely to be heard saying....

Make sure that helmet fits you properly!
